How have you benefited from "see one, do one, teach one"?

For Your Quiet Time:

Matthew 16:24-25

2 Corinthians 5:1-10

Matthew 20:25-28

Luke 10:17-20

Acts 9:36-42

Next Week:

The disciple making process has 4 main components: Sharing, Connecting, Training to Minister and Releasing to Disciple. Next week we'll be looking at **Releasing to Disciple**. This is the final stage in spiritual growth. It doesn't mean the journey is over. It does mean that we are able to fulfill our mission of making disciples who make disciples.
